

**ProGrad 2012 Parent/Senior Meeting Minutes**  
**September 12, 2011**

The Parent/Senior Meeting was called to order by Terrie White at 7:08 PM.

**Old Business**

Terrie gave the parents an overview of the purpose, history and function of ProGrad. She told them that students must purchase tickets, but that early tickets would be \$25 with prices hiking to \$50 just before the event. Tiger bucks would accompany the ticket. She briefly touched on the entertainment secured thus far.

**New Business**

Mary Hodges explained how tiger bucks work – every hour volunteered or every \$25 donation would be worth \$50 in tiger bucks. She explained the bonus tiger bucks and the many ways to earn tiger bucks.

Julie Goodwin briefly touched on Senior Serve and Terrie told parents that Silent Auction items would be needed and should be sent to Liz Jennings.

Arleen Blumenthal showed the Travis ProGrad t-shirts and gave prices.

Mary Hodges announced the car wash on Sept 24 and encouraged students to sign up for a shift.

Candace Reider told parents she was collecting ink cartridges and to be sure student names were on the collection bags when they were turned in.

Donna Witmer talked about Senior Serve tables (each seated 10), themes and the need for costumes. She reported there would be a set menu and that all of the \$25 ticket price would go to ProGrad.

Terrie next listed the leadership positions still available and pointed out that chairs receive bonus tiger bucks and that there is an informational binder to accompany most positions.

Terrie quickly listed the by law changes that the board was requesting and told parents they would be voted on at the next meeting. She asked for a motion from the floor to update the by-laws. Kay Marshall made a motion and Jayne Thomas seconded.

Terrie ended by telling the parents their action items consisted of 1) “friending” Travis ProGrad on facebook, 2) registering on the Travis ProGrad website, 3) completing their criminal history checks, and 4) linking their Kroger’s and Randall’s cards to Travis ProGrad.

Meeting adjourned at 7:40 PM
