

William B. Travis High School, 11111 Harlem Road, Richmond, TX 77469

Dear Friends:

We began our journey at William B. Travis High School four years ago and we are now entering a new phase of that journey. We are the first class to have entered as Freshmen and to leave as Seniors. Travis High School Project Graduation 2010 is busy planning our first drug-free and alcohol-free celebration for graduating Seniors. Our main objective is to provide a safe environment of fun for our Seniors. We want to provide games, entertainment, music, refreshments and prizes for all Seniors who attend the celebration. This is a huge project, but one that is important to us all. It is a project that will continue a great tradition at William B. Travis High School.

As members of the Travis High School ProGrad 2010, we are asking for your support. Our Seniors and our parents are working very hard to achieve our objective, but we need your help. We are seeking monetary donations or gifts from our community. It is our responsibility to ensure a safe environment for our Seniors and we hope you will agree. Your sponsorship will enable us to provide a quality "Lock-In" for this year's Senior Class.

William B. Travis High School Project Graduation Booster Club is a 501(c)(3) non-profit organization, therefore all donations are tax deductible (EIN #45-0579192). Your participation will be advertised at our Travis High School ProGrad 2010 functions throughout the upcoming year. Your sponsorship will also be noted on our ProGrad website: www.travistigerprograd.com Please consider joining us in our efforts to maintain a tradition of community that will allow our Senior class to safely end their high school years and to begin their walk down the paths to their future. Thank you for your support.
